

FROM THE SECRETARY.

Again I thank you for the honor you have conferred on me the second time, and shall try to perform my duties to your entire satisfaction. During the year 1895 we began a four year's study of the Mniotiltidae. Three members were appointed to supervise as many departments of the work. Have we assisted these members as much as we were able? Do we fully realize the time and money each of these chairmen must spend, and their responsibility? Can we hold those who have assumed such positions responsible for the report they must make, if we do not assist them? Let us flood those chairmen with so many notes, in the next three years, that they will have to hire help to get from beneath the pile! If we *all* send just such notes as we make in a season what a volume it would make! and the Chapter would fill the position it is destined to fill.

Respectfully,

J. E. DICKINSON.
